

Seznam literatury:

- Chlupáč I. (1963a): Phyllocarid crustaceans from the Silurian and Devonian of Czechoslovakia. *Palaeontology* 6, 67–118.
- Chlupáč I. (1963b): Report on Merostomes from the Ordovician of Central Bohemia. *Věst. Ústř. úst. geol.* 38, 6, 399–402.
- Chlupáč I. (1965): Xiphosuran merostomes from the Bohemian Ordovician. *Sbor. geol. věd, Paleontologie* 5, 7–38.
- Chlupáč I., Havlíček V. (1965): *Kodymirus* n. g., a new aglaspid merostome of the Cambrian of Bohemia. *Sbor. geol. věd, Paleont.* 6, 7–20.
- Chlupáč I. (1969): Revision of the Middle Devonian trilobites from Horní Benešov in the Nížký Jeseník Mts. (Moravia). *Sbor. geol. věd, Paleont.* 10, 67–103.
- Chlupáč I. (1970a): New phyllocarid crustaceans from the lowest Devonian of the Barrandian. *Čas. Miner. Geol.* 15, 4, 327–334.
- Chlupáč I. (1970b): Phyllocarid crustaceans of the Bohemian Ordovician. *Sbor. geol. věd, Paleontologie* 12, 41–77.
- Chlupáč I. (1971): Some trilobites from the Silurian/Devonian boundary beds of Czechoslovakia. *Palaeontology* 14, 1, 159–177.
- Chlupáč I. (1977): The phacopid trilobites of the Silurian and Devonian of Czechoslovakia. *Rozpr. Ústř. úst. geol.* 43, 1–172.
- Chlupáč I. (1978): The problematical arthropods of the family Angustidontidae in the Upper Devonian of Moravia, Czechoslovakia. *Čas. Mineral. Geol.* 23, 3, 233–241.
- Chlupáč I. (1981): Homalonotid trilobites from the metamorphic Devonian of the Hrubý Jeseník Mts., Czechoslovakia. *Čas. Mineral. Geol.* 26, 4, 361–370.
- Chlupáč I. (1983): Trilobite assemblages in the Devonian of the Barrandian area and their relations to palaeoenvironments. *Geologica et Palaeont.* 17, 45–73.
- Chlupáč I. (1984): A new phyllocarid crustacean from the topmost Silurian of Bohemia. *Věst. Ústř. Úst. geol.* 59, 1, 41–43.
- Chlupáč I. (1987): Ecostratigraphy of Silurian trilobite assemblages of the Barrandian area, Czechoslovakia. *Newslett. Stratigr.* 17, 169–186.
- Chlupáč I. (1988): The enigmatic arthropod *Duslia* from the Ordovician of Czechoslovakia. *Palaeontology* 31, 3, 611–620.

- Chlupáč I. (1989): The stratigraphically latest trilobite of the Barrandian area. *Čas. Mineral. Geol.* 34, 3, 319–322.
- Chlupáč I. (1992a): New arizozoid crustaceans from lower Devonian of Bohemia. *Čas. Mineral. Geol.* 37, 4, 289–296.
- Chlupáč I. (1992b): Middle Devonian trilobites from Čelechovice in Moravia (Czechoslovakia). *Sbor. geol. Věd, Paleont.* 32, 123–161.
- Chlupáč I. (1994): Assemblages of phyllocarid crustaceans in the Silurian and Devonian of Bohemia and their analogues. *Geologica et Palaeont.* 28, 1–25.
- Chlupáč I. (1994): Devonian trilobites – evolution and events. *Geobios* 27, 4, 487–505.
- Chlupáč I. (1994): Pterygotid eurypterids (Arthropoda, Chelicerata) in the Silurian and Devonian of Bohemian. *J. Czech Geol. Soc.* 39, 2–3, 147–162.
- Chlupáč I. (1995): Lower Cambrian arthropods from the Paseky Shale (Barrandian area, Czech Republic). *J. Czech Geol. Soc.* 40, 4, 9–36.
- Chlupáč I. (1999a): Some problematical arthropods from the Upper Ordovician Letná Formation of Bohemia. *J. Czech Geol. Soc.* 44, 1–2, 79–91.
- Chlupáč I. (1999b): Unusual arthropods from the Bohemian Ordovician. *Acta Univ. Carol., Geol.* 63,1–2, 393–396.
- Chlupáč I. (2000): Devonští trilobiti Moravy a Slezska, jejich výskyt a význam (Devonian trilobites from Moravia and Silesia: Their occurrence and Significance). *Přírodovědné studie Muzea Prostějovska* 3, 5–26 (in Czech with English summary).
- Chlupáč I. (2003): Phyllocarid crustaceans from the Middle Ordovician Šárka Formation at Praha-Vokovice. *Bull. Geosci.* 78, 2, 107–111.
